Description

On a whim, one of our breeders set about crossing our own Punky Lion with pure Haze genetics.

The result is a slightly taller plant than her progenitors, with very few leaves to trim and a fresh tropical Pina Colada taste that will amaze even the cannabis world's most hedonistic experts.

Covered in trichomes that produce a resin imparting a unique sense of controlled euphoria, this lady's best feature is the perfect balance between her Indica and Sativa characteristics.

Simply unique!
