Description

A cross between a best-selling strain known for its massive yields and a very potent legendary North Alaskan Indica that smells and tastes like

??????? ??????: Punky Lion

chocolate, the resulting hybrid retains the desired properties of its progenitors.

A medium-sized plant that produces copious amounts of resin, Punky Lion's not too bushy, has short internodes and a very thick central tail surrounded by a glacier of crystals.

Buds sometimes even sprout from the central part of its leaves.

A dark plant, she exudes a very sweet fragrance and tastes a bit citrusy.

A perfect blend of great yields and excellent quality!
