Description

White Gorilla Haze

White Gorilla Haze White Label

White Gorilla Haze brings together the world-class resin production of Gorilla Glue and the dreamy, soaring high of the finest Haze strains. This mostly-Sativa hybrid is fast-growing and productive with a shorter flowering time than its Haze pedigree might suggest. White Gorilla Haze feminized cannabis seeds by White Label were created through a three-way fusion of Amnesia Haze, the all-time great Silver Haze and the 50/50 Sativa-Indica hybrid from California known as Gorilla Glue.
