## Description

## **Auto Mazar**

This is an upgraded selection of our valued former Afghan/Skunk.

We improved the variety in 1997.

The taste is softer than before and we managed to improve on yield.

The Afghani (Mazar-i-Shariff) part is a very short christmastree- like plant, 100% Indica and very resinous.

The F1-cross with Skunk#1 gives the variety a bigger yield and better taste. Very good "up" high.

As both parents are very consistent, the offspring is very consistent too.
