Description

Auto Power Plant

Auto Power Plant develops into a spectacular automatic cannabis plant, with a medium/large height and a solid structure, that grows vigorously and produces compact and resinous buds.

Growing Auto Power Plant cannabis seeds is really simple both indoors and outdoors, and growers of all levels can obtain top-notch crops without any major difficulties.

Her aroma and flavour are rich and fresh, with notes of lemon, pinewood, spices and incense. Her effect is powerful, cerebral and stimulating. This is typically sativa cannabis that's ideal for engaging in activities among friends.
