Description

## Bakers Delight

The Cookies x Sorbet or as we like to call it the "Bakers Delight" is a powerful strain that is super easy to grow with high producing yields. Bakers Delight finishes with a cookies appearance alongside sweet sorbet aromas throughout, great for both indoors and outdoors including greenhouse environments. Just watch out for the height, as she loves to grow on the taller side.

This strain is great for task completion due to its calming and focusing effects. Finishing in around 8-9 weeks, producing large dense nuggets alongside her dank sweet aromas will really make the Cookies x Sorbet your ultimate "Bakers Delight".
