Description

Black Mamba Auto CBD

This auto flowering strain has a high percent of CBD, an intense taste, a powerful effect and outstanding production as its most prominent features.

The most requested features in the category of autoflowering varieties.

During this hybrid breeding we carefully select the most productive and aromatic ones, and we cross them with our tastiest line of Tangie auto flowering in order to create a new range of large size, quick and delicious.

Black Mamba Auto CBD produces a special resin for extractions.
