Description

Black Widow

Mentholated indicates almost pure aroma.

Relaxing effect.

Recommended for medicinal use.

Plant robust, compact and highly branched appearance.

Very short internodal distance , thick and woody stems.

The leaves are tremendously wide and large with clearly defined veins.

Moderate amount of leaves and maximum number of cups (buds) reaching an extreme hardness appreciated by commercial growers.

Outdoors can reach 1.5m -2m in height. Indoors hardly reaches 1m.

It tolerates high humidity in advanced stages of flowering.

Successfully resists pests in general.
