Description

**Blue Gelato 41**

Blue Gelato 41 is the sensational new Blueberry super-cross with the West Coast. She was created by crossing the famous Blueberry with Thin Mint Girl Scout Cookies and the fresh and fruity Indica, Sunset Sherbert. Blue Gelato 41 will rapidly plunge you into a tranquil pool of potent psychedelic pleasure. Many phenotypes display blue/purple flowers, all are smeared in thick resin and ooze sweet and earthy citrus flavours.

Let this fabled Indica fascinate your taste buds and massage pain away leaving pure satisfaction and joy. Although Gelato's aromas are wonderfully intoxicating, effects are generally clear headed and energetic. Flowering time indoors is 9 to 10 weeks; outdoors Blue Gelato 41 can reach up to 2 metres, normally finishing in October. Expect an exceptional yield! With stretched pre-flowering can deliver up to 3kg of breathtaking bud.
