Description

Blue Pyramid Auto

After a long time of careful breeding and work, we finally have our Blue variety, on a Blueberry basis.

We present a Hybrid with the appearance of an Indica: very compact and full of thick resin-soaked buds throughout the plant.

It has a sweet taste with a touch of exotic fruits and an intense relaxing effect.

It is recommended for therapeutic use.

High temperatures should be avoided especially before harvest; this will allow its blue tones turn up during that period.
