Description

This excellent hybrid is a combination of two strains characterised by their outstandingly sweet and penetrating aromas. The original Belladonna is a cross between Super Skunk and a very potent F1 hybrid. Crossing this with a Northern Light Afghani x Skunk N°1 x Haze male makes this a

small plant that produces copious flowers with large clusters of amber-coloured, resin-filled buds. Excellent results both indoors and outside. Crazy Miss Hyde gives off a unique and intoxicating aroma at the end of the flowering cycle. It tastes of forest fruits with slightly acidic overtones and produces a very cerebral high that can even get a bit scary.
