Description

Dietary Supplement CBD Oil - 2%

10ml

The oil has a cannabidoil concentration of 2%.

It comes in 10ml bottle with a dropper to administer the oil sublingually, which results in faster absorption.

MyCBD Oil is made with **hemp extract** and **organic sunflower oil**.

Each 10ml bottle contains 200 mg of CBD (**cannabidiol**) MyCBD certifies the percentage of CBD in each of their products, thanks to the analytical tests and rigorous tests performed by liquid chromatography, which guarantee the absence of pesticides, heavy metals and microorganisms.

Storage: Store in a dry place, at a temperature of no more than 25 degrees Celsius and avoid contact with direct sunlight.

Not suitable for cooking.

How to use:

- The recommended initial daily dose is between 3 to 9 drops every 8 hours.
- Administer directly under the tongue and hold for 1 minute for better absorption.
- It is advised to start with a daily dose of 3-4 drops, after dosage may be increased as necessary.
- If in doubt about the method of use or the dosage, always consult a specialist.
