Description

## Double Stuffed Sorbet

### Do-Si-Do x Sorbet

Double Stuffed Sorbet slams your face and nose pallet instantly with her profound aroma and creamy taste, resulting in intense happiness, relaxation and euphoria.

The Double Stuffed is a very strong, large yielding hybrid that grows fast producing frosty resin early in cultivation. With yields of 500-650 g/m<sup>2</sup> and medium height it is great for both indoor and outdoor cultivation, but especially great in greenhouse environments.

A concentrate artists dream, due to the sheer amount of resin she produces.
