Description

Glookies

If Marvel Studios created an Avengers cannabis strain this would be it! Glookies. Witness the power from this Indica dominant superhero of a strain, created by the careful fusion of two eclectic cannabis superstars. Gorilla Glue and The Original Thin Mint Girl Scout Cookies need no introduction. Another incredible new addition to Barney's Cali Collection arrives.

A super stoney effect will be experienced along with motivational energies that will transform your day, filling it with drive. The taste of Glookies must be experienced to be believed. Imagine hints of Sour Diesel, Key Lime and Walnuts colliding to create one of the most exotic bouquets created in the cannabis world. Expect extensive side branching and phenomenal yields from Glookies huge 25% THC laden buds. Indoor yields of 800g per m² are achievable with outdoor weighing in at 2 – 3 kg per plant in ideal growing conditions.

30% SATIVA - 70% INDICA

THC: 25% - CBD: 1%
