Description

## Golden Lemons

Two champion strains brought together - Jew Gold Cut and Lemon Skunk.

This is a F1 hybrid that promises to bring yields and terpenes with copious amounts of resin.

Golden Lemons cannabis seeds take 8-9 weeks to finish with an over the top citrus old school Kush flavour.

Clear concentrates can be easily made by pulling her early. This cannabis variety is a favourite for hash makers of all types due to her easily extracted crystals and overwhelming aroma!

Strain suitable for all environments.
