### Description

Kalashnikova has a strong long-lasting indica effect mixed with a very clear high and performs very well both indoors and outdoors.

Very good for **SoG** and **SCRoG**.

- Awards: Not yet introduced in competitions.
- Genetics: **AK-47 x White Widow**.
- Effect: A strong, long-lasting indica effect, mixed with a very clear high.

Our take on a very famous genetic.

We crossed the AK47 with our White Widow and the results are outstanding: a plant with the structure and the calyx structure of the AK47, and the resin formation of the White Widow.

The effect is strong and body-like.

Flowering time is 8 weeks and the structure is very branchy.

The Kalashnikova performs very well both indoors and outdoors, branches out very well.

Type

100% Indica

Indoor

8 weeks flowering time

Outdoor

Ready at the end of September

Yield

750 gr / m<sup>2</sup>
