Description

Quasar

Quasar, which comes from a pure indica and a backcrossed sativa, unifies the best of both strains into a choice hybrid.

Highly vigorous growth that reduces indoor cultivation timing; it also yields radiant outdoor plants.

It has a powerful structure that easily stands the weight of several buds, hard and compact to the point they seem pressed.

Astonishing potency, strong effect with a hard disposition to euphoria without nervousness.

With **Quasar**, a perfect balance between indica & sativa has been achieved, it will surely satisfy sybarites for its quality as well as commercial growers for its quantity.
