Description

Romulan

Unknown

It takes its name from the alien race of the Star Trek saga.

Romulan is a powerful Indica, although it has an intense cerebral effect thanks to its Sativa part. It is known for its numerous medicinal uses and for its incredible relaxing effect, also appreciated by consumers of recreational cannabis. It provokes a powerful euphoria and then plunges the consumer into a deep calm, with interesting introspective effects.

The taste is sweet with touches of pine and spicy.

The plant presents purple and reddish tones at the end of flowering.
