Description

Sensi Amnesia Auto

Sensi Amnesia Auto Sensi seeds

Sensi Amnesia Automatic is 50% sativa, 20% indica, and 30% ruderalis. The plants are moderately tall for an automatic, and produce an earthy, fruity aroma. The yields are fairly plentiful, and the buds are compact. Users report that the high is typically sativa – cerebral, uplifting and conversational. Most of you will identify these patterns as the usual ones of the internationally famous Amnesia
