Description

Through generations of intensive selection and crosses, the best examples of Skunk were stabilized into the first hybrid breeding Indica-Sativa,

Indica-dominant classical Skunk # 1. The energetic performance and bountiful yields Skunk # 1 demonstrate the true meaning of hybrid vigor. Growth and flowering are mostly-Indica in appearance, but Skunk # 1 has more height than a pure Indica when blooming. The dark green leaves of this variety comes from her Afghan ancestors and contrasts strongly with the tips that spring lime-green color.
