Description

## Sorbet Dreams

## Kush Dreams x Sorbet

It was released on the Limited Collection a few years ago and was one of the most requested strains that sold out due its dank, Kush profile and exclusivity.

It was only right to bring her back in this exclusive cross to produce the infamous Sorbet Dreams.

She is a great yielding hybrid with a very unique terpene profile that produces dank Kush smell with creamy sorbet undertones.

Great for outdoors and finishes in early October, producing sugar coated flowers that allow this strain to be a delight to grow and smoke.

Ideal for concentrate and hash creators for her above great yields.
