Description

Sunset Sherbet

## Girl Scout Cookies

The complex aromatic profile of this strain includes citrus fruits, berries and a sweet caramel aroma inherited from its mother, the GSC.

Its powerful and lasting effect elevates the mood, eliminates tensions and leads to a state of total mental and physical relaxation. It can be used in low doses for creative activities since it stimulates the mind and improves concentration. Ideal to de-stress after a hard day's work or enjoy an artistic or interpersonal experience.

Not very difficult to grow, outdoors be careful with fungus and temperature changes.
