### Description

Sweet ZZ Auto

Sweet ZZ Automatic is an easy-to-grow plant that delivers quite abundant crops in a short time. Therefore, we can say that this strain meets the needs of all types of users: from rookie growers to experienced users looking for great potency.

What we like most about Sweet ZZ Automatic is her Indica potent and physically relaxing effect. She also holds amazing therapeutic potential partly due to her crushing 18% THC levels. A perfect strain for de-stressing and alleviating anxiety.

Sweet ZZ Automatic showcases really aromatic terpenes that improve her intense, sedating effect. Her most predominant terpenes are limonene, with touches of lemon and anxiolytic effect, and caryophyllene, which provides touches of pepper and spices and anti-inflammatory properties.
