Description

White Widow Auto

A true Amsterdam classic from Barneys Farm, White Widow is now available in an autoflowering variety.

The evolution continues of this legendary strain, our White Widow Auto is a sumptuous 70% Indica dominant cross of a Brazilian Sativa X super resinous South Indian Indica, expertly fused with our Barneys Farm Super Auto #1.

White Widow Auto is an extremely versatile plant, Ideal for all conditions and growing techniques, a mold-resistant strain, resistant to bugs, and copes well even in colder climates so pretty straight forward for all levels of experience.

White Widow Auto is a classic Indica-shape, extra compact compared to the feminised version but still a vigorous fast grower, becoming bushy and wide in time for flowering. Growing to heights 80-90cm indoors 100-120 outdoors and reaches maturity in a rapid 70-75 days from seed.

With the onset of flowering large Sativa like, heavy, and super-sticky solid buds burst from its branches, the extraordinary resin production creating a thick blanket of glistening trichomes covering its colas, almost white in appearance frosting the long bright orange pistil and small dark green sugar leaves.

This Amsterdam classic comes with an exotic terpene profile packed full of pungent skunky sweet citrus aromas and earthy, pine wood and spice flavours.
