### Description

Widow Remedy Regular Widow Remedy™ was created by first crossing Tijuana Sativa with Kerala which created a beautiful Sativa dominant plant, flowering with high levels of cannabinoids. The strain was then further developed when combined with a pure Afghan, mainly to increase

yield, shorten the flowering period and the added bonus of increased CBD potency in the final selection. The final result from this three-way blend is a remarkable hybrid with lineage approaching to the widow strain with added CBD. Widow Remedy™ is an effective cure for pain relief, insomnia and comfort for nausea. Rainy day blues evaporate in its mist.
