Descripción

This is the perfect blend of two West Coast flavors. The blueberry male from Oregon was used for his taste and vigor in combination with the fuely, lemon taste of the OG Kush from LA. The Kushberry is a shorter, stalkier plant which produces a decent yield. The exotic flavor doesn't

rival its strength; she is one of our strongest strains. She is berry good for medical use as she relieves pain and helps with sleep and eating disorders. 1st Outdoor Spannabis 2008
